

Amal Al Hajj (age 9, Yemen)

## What can we learn from children and their art?

See the work by nine-year old Amal Al Hajj of Yemen. Isn't friendship a liberating force that breaks the chain of hatred?

Now examine the art of ten-year old Enchmonch Suchbat of Mongolia. Would your worldview be different if you were raised in a 'ger' instead of rooms with corners and right angles?

The International Child Art Foundation harnesses children's imagination for positive social change. [www.icafe.org](http://www.icafe.org)
